

## ENNEAGRAM WORKSHOP

On September 15-16, 2017, Christ Church, Frederica presents the Rev. Dr. Paul Hanneman's introduction to "The Enneagram ...your new best friend!" Join Dr. Hanneman for this workshop as he explores this ancient spiritual tool... the wisdom of the Fourth Century Desert Fathers, the first Christian monastics...deep, universal and life-changing. The Enneagram is about people - how we are the same, how we are different, what makes us tick and how we get in our own way. The Enneagram offers an accurate description of the inner geography of our minds. It describes nine fundamental personality

styles. It helps explain why we behave the way we do. It offers specific directions for personal growth.

Rev. Dr. Paul Hanneman, a graduate of Richard Rohr's The Living School, is a certified Enneagram trainer, has studied extensively with Don Riso and Russ Hudson, Thomas Condon, and Helen Palmer. He has taught the Enneagram for over 20 years. He retired after pastoring four congregations over 25 years and serving 15 years as Program Director/Community Educator for the Urban Ministry Center in Charlotte, North Carolina. He now teaches spiritual formation (including the Enneagram) throughout the area, and offers spiritual direction and counseling from his office at St. Peter's Episcopal Church in uptown Charlotte.

Everyone is welcome! Join us September 15-16, 2017, in the Christ Church, Frederica Parish Hall for this higher-spiritual-learning course.
