Due to the rise of COVID cases in Glynn County and the most recent recommendation from the CDC regarding masking*, the Christ Church COVID task force is recommending that everyone, vaccinated and unvaccinated, wear masks while inside the buildings, including Sunday worship services.

Thank you for your understanding as we are implementing this to keep everyone we love safe.

Faithfully,

A handwritten signature in black ink, appearing to read 'Ashton Williston' with a stylized flourish at the end.

The Rev. Ashton Williston

**The CDC is advising that people who live in high-transmission communities wear masks in indoor public spaces, even if they've been vaccinated. It also recommended that vaccinated people with vulnerable household members, including young children and those who are immunocompromised, wear masks indoors in public spaces.*
